

A tall, white refrigerator with a freezer compartment at the bottom. It has two doors with light-colored handles. There are some small stickers on the upper door, including one with a rooster. The refrigerator is positioned against a wall with decorative tiles.

A white Bosch front-loading washing machine. The control panel is located on the top right, featuring a dial and several buttons. The door is circular with a white frame. The Bosch logo is visible on the top left of the machine's front panel.

A stainless steel sink set into a wooden countertop. The sink is rectangular with rounded corners. A white plastic container is partially visible in the bottom left corner of the frame.

A decorative wall panel consisting of several rows of rectangular tiles. The tiles are in various shades of brown, tan, and white, some with intricate patterns or designs, including leaf motifs.
